Juha Järvenreuna  
Itäinen Rantakatu 72,  
20810 Turku  
juha.jarvenreuna @ caligoindustria.com

3. Name of the data register

General customer and stakeholder register

4. Purpose for personal data processing

Data will be maintained and developed for Caligo Industria's customer and marketing communications as well as for maintaining customer and stakeholder relationships.

5. Data content of register

Name  
Contact information (email address and telephone number)  
Workplace and the address of the workplace

6. Regular data sources

Information about the registered person is collected from the registered persons themselves or through customer and stakeholder contacts, for example by e-mail, telephone, appointments and other situations in which the registered person discloses their information.

7. Transfer of data to non-EU or non-EEA countries

Caligo Industria Oy will not disclose information to third parties except if required by the Finnish authorities.

8. Regular disclosure of data

The registry is stored and maintained in a secure data system. Access to the register requires a username and password. The access is granted to a register keeper's staff whose job description is associated with the access.

9. Right of access and right of rectification

Everyone in the register has the right to check his/her data stored in the register and to demand that any incorrect information be corrected or incomplete information supplemented. If a person wishes to check or request correction of his/her record, the request should be sent in writing to the register keeper. The register keeper may, if necessary, request a proof of identity. The register keeper responds to the data subject within the time limit set in the EU Data Protection Regulation (usually within one month).

10. Other rights related to the processing of personal data

A person in the register has the right to request the deletion of his/her personal data from the register ("the right to be forgotten"). Also, registered persons have other rights under the EU's general data protection regulation, such as restricting the processing of personal data in certain situations. Requests should be sent in writing to the register keeper. The register keeper may, if necessary, request a proof of identity. The register keeper responds to the data subject within the time limit set in the EU Data Protection Regulation (usually within one month).
